### **What should we do about keeping our child/children up to date with lessons?**

1. If you have been home schooling your child and are not in a Sacrament class in 2020-2021 you should contact your Parish Catechetical Leader for assistance.
2. If you wish to consider home schooling your child you may contact the Office of Religious Education.
3. **All students will be placed in their appropriate age level class in 2021. No child will be held back.**
4. **Are you are concerned about your child losing interest?** Please remember the best way to share our faith is by attending Sunday Mass on a regular basis. This would be an awesome experience for your child no matter the age.
5. **Is it safe to attend Mass? YES!** Attendees at Mass must have their temperatures taken at the door and must wear masks. You will also have to stay in your own “family bubble” and space out at least 6 ft in church. What I have found that works for me is to arrive 5 minutes before Mass starts. Most people are seated by this time and it allows me to better choose where to sit and where I feel the safest.
