

The Roman Catholic Diocese of Hamilton in Bermuda
EST. 1967

Heavenly Father,

With hearts full of gratitude, we praise and thank you for the 59 years of our Diocese of Hamilton in Bermuda. From its establishment until this day, you have guided your people with the light of the Gospel, nourished them through the Sacraments, and sustained them with your unfailing love.

We remember with thanksgiving the bishops, priests, deacons, religious women and men, and faithful laity who have dedicated their lives to building up your Church in these islands. Bless all who have gone before us marked with the sign of faith and reward their labours with the joy of your eternal kingdom.

Lord Jesus Christ, Shepherd of your flock, continue to watch over our Diocese. Strengthen our bishop, priests, deacons and all the faithful in their mission to proclaim your truth, serve those in need, and bear witness to your mercy.

Holy Spirit, renew our diocesan family with faith, hope, and charity. Unite us ever more deeply in communion with the universal Church and make us instruments of peace and reconciliation in our community.

As we celebrate this 59th anniversary, help us to give thanks for the past, embrace the present with confidence, and look to the future with trust in your providence. May St. Therese of Lisieux, the Little Flower, intercede for us and guide us always to Jesus.

Amen.
