What should we do about keeping our child/children up to date with lessons?

1. Home schooling your child/children is an option. Grades that can be home schooled are K, 1, 3, 4, 5, 6, 7 and 8.
2. If you have been home schooling your child who is not in Sacramental classes you should contact your Parish Catechetical Leader (PCL) for further assistance.
3. **All students will be placed in their appropriate age level class in 2022. No child will be held back.**
4. **Are you concerned about your child losing interest?** Please remember the best way to share our faith is by attending Sunday Mass on a regular basis. This would be an awesome experience for your child no matter the age.
5. **Is it safe to attend Mass? YES!** Attendees at Mass must wear masks. You will also have to stay in your own “family bubble” and space out at least 6 ft in church from other families. Arriving 5 minutes before Mass starts helps to avoid crowds at the church doors. Most people are seated by this time and it allows you to better choose where to sit and where you feel the safest.
